Mr. Duncan Rowley
Office Outfitters
749 Main Street
Grand Junction, CO 81501

Dear Mr. Rowley,

We've had the pleasure of working with Claudia Cook and Office Outfitters on several large projects recently and wanted to write to let you know how great your team is!

We have been very impressed with the excellent service Claudia provides and the vast industry knowledge she offers. Claudia was extremely helpful in finding us the right product, at the best price, for our client's needs. She is skilled at developing specifications quickly and accurately, and her response time is always above and beyond our expectations.

It was clear from the start of our work together that Office Outfitters cares deeply about the success of their projects and in being the most competitive furniture resource in Western Colorado. We certainly found this to be true for the various projects that we worked on together. Your company offers an amazing array of commercial furnishings to choose from, and finding the right furniture solution for our projects was never a problem.

One of the things Office Outfitters does really, really well is planning and coordinating the installation. Your large and experienced crew understands how to work in occupied spaces with clients trying to operate their businesses during a busy, noisy installation. The crews were outstanding in their professionalism, knowledge of furniture systems and respect for the client's needs and property.

Kudos to Claudia, Ashley and the crews that helped make our projects successful! Thank you for your good work; I heartily recommend Office Outfitters for any commercial furnishings needs in the region.

Best Regards,

Contract Exhibit A

YOU CAN DEPEND ON US. OUR PRODUCTS. OUR SERVICES. OUR PEOPLE.

Steelcase Inc. ("Steelcase") warrants that Steelcase®, Coalesse®, and Turnstone® brand products (collectively, "Steelcase Branded Products") are free from defects in materials and workmanship for the life of the product, except as set forth below. This warranty applies to Steelcase Branded Products delivered in the Americas: United States, Canada, Mexico, Latin America, and the Caribbean. The warranty is valid from the date of delivery, regardless of shift usage to the original End User and is non-transferable. Steelcase will repair or replace with comparable product, at its option and free of charge (for materials and components) any product, part or component which fails under normal use. If repair or replacement is not commercially practicable, Steelcase will provide a refund or credit for the affected product. End User means the final purchaser acquiring a product from Steelcase or a Steelcase Authorized Reseller for the purchaser's own use and not for resale, remarketing, or distribution.

WARRANTY INFORMATION ENWORK

Exclusive 12 Year Limited Warranty Contract Exhibit A

Exclusive 12 Year Limited Warranty

Enwork warrants that the goods shall be free from defects in materials or workmanship for a period of twelve (12) years except as follows. Chairs are warranted for single shift, standard commercial usage, defined as a standard 8-hour work day, five days a week, when the product is used by a person weighing less than 250 lbs, unless otherwise noted. Proxi Electric bases are warranted for a period of seven (7) years. Taper edge (contour laminate) worksurfaces, lighting, height-adjustable tables, monitor arms, electrical components, pneumatic cylinders, locks, drawer slides, and glides are warranted for a period of five (5) years. Casters are warranted for a period of one (1) year. There is no warranty for "self-edge" chipping or peeling, or on refrigerators.

Upholstery fabrics, vinyl, and polyurethanes are warranted from defects in material and workmanship for five (5) years except for Pixley, Milan, Capri, Ardi, Reko, and Monaco chairs which are warranted for three (3) years. Customer's own materials (COM) are not covered by this warranty. Consult with upholstery materials suppliers for performance criteria and suitability of individual materials. Textiles and laminates are sold subject to minor variations of color. Since textiles vary in weave, thickness and memory, some creasing and/or gathering may occur during the upholstery application process. Because leather is a natural product, variations of texture are common and should be expected.

This warranty excludes any type of misuse, abuse, as well as ordinary wear and tear.

Warranty

We are pleased to provide the initial purchaser with a *Lifetime Structural Warranty* against defects in design, construction and materials.

Finishes and cover materials are warranted for two years, subject to normal wear and tear. Electrical and mechanical parts are warranted for two years. Hardi Stacker, and all Hardi Endurance products are warranted for 10 years from the date of purchase.

Our warranty will not apply where there is evidence of alteration, misuse, negligence or abuse. No warranty shall apply to COM fabrics. During the warranty period, we will repair, or at our option, replace any product where we are satisfied the product is defective. Decisions on warranty rest solely with Spec™. The customer must prepay all freight charges for items being returned for service. If a claim is accepted, we will gladly refund the charges incurred.

FlexPlus™ coated surfaces shall be free of defects in materials and workmanship for a period of three (3) years. FlexPlus coated products intended to be used in non-standard furniture applications (i.e. stood on, walked on, or in "heavy use") shall be free of defects in material and workmanship for a period of one (1) year. FlexPlus coated products intended to be used in applications other than furniture uses (i.e. as "toys", building blocks, or without a wood base/glides) will not be covered under warranty.
